**WHITBY AND DISTRICT  
WAR MEMORIAL COTTAGE HOSPITAL.**

---

**ANNUAL REPORT FOR 1944.**

---

The Hospital has been busily engaged during the past year, and although the ordinary accommodation is for 20 in-patients, it has been frequently necessary to house 25 patients. Increased work has taken place in the Out-Patients' Department, chiefly due to the treatment of Rheumatism, Sciatica, Neuritis, and other similar ailments.

The Committee desire to record their appreciation of the services rendered by the Hon. Medical Staff, Radiologist, Matron and Nursing Staff, who have discharged their duties in such a manner as to merit great praise, and they gratefully acknowledge the services of the Ladies' Committee for their help in dealing with domestic matters and the checking of the tradesmen's accounts, and thanks are expressed to Mr. J. G. Tomlinson, the Secretary, for his services.

The appointment of Miss Heath as Matron took place in April last, and she has filled that position to the satisfaction of all concerned.

**LINEN LEAGUE.**—The League has, by the generous help of its subscribers, been able to maintain a good supply of linen. The Committee inspect the linen quarterly, and in this way ascertain what is required in renewals or repairs. During the past year a sewing party was formed, under the supervision of Miss Moxon, and this branch is proving to be of infinite value to the Hospital. The Marchioness of Normanby is chairman of the League, and Mrs. Pewsey hon. secretary and treasurer, and both these officers have worked with great interest to attain the success achieved.

**OBITUARY.**—The Committee deeply regret the passing of Miss May Yeoman, a vice-president and a most generous supporter. Miss Yeoman was also an active member of the Ladies' Committee, a great personality, and one who will be greatly missed by her fellow workers for her unfailing kindness and help in so many ways.

**GIFTS.**—The Committee are very grateful for donations received from Miss Tawn and Miss Urmston for the purchase of a Potato Peeling Machine and a Potato Chipping Machine, and from the Pier Road Firewatching Group sufficient for the purchase of an Operating Table for the

Casualty and Out-Patients' Theatre, which will be of great benefit.

The Committee's thanks are offered to supporters who have made special efforts by the organising of Whist Drives, Entertainments, Garden Fêtes, Sales of Work or Special Collections, and to the following:—The St. John Ambulance Brigade, for their help in conveying and handling patients—these voluntary workers are always ready and willing to do their job, and many are the calls upon their kindness; also to the Proprietors and Editor of the "Whitby Gazette" for the publicity of our Hospital's activities and requirements.

CARR HALL.—It was no longer deemed necessary to hold Carr Hall as an Emergency Hospital, and its use has been discontinued. The Committee wish to express appreciation to Miss Booth (Commandant of the Danby Nurses) and her voluntary helpers, who have kept the place in excellent order, ready for receiving casualties should an emergency arise.

The Hon. Chaplains have, during the past year, kept up their visits, holding a religious service each Sunday evening, and the patients look forward to these gatherings.

WAR MEMORIAL.—The Committee hopes that as the closing stages of the war are now in sight the present time is opportune to raise the question of the future War Memorial. It will be well to remember that the present Hospital was the outcome of the War 1914-18, and suggestions have been frequently made that additional wards or other extensions would be most suitable as a future Memorial. More bed accommodation is needed, and many other improvements to meet the present-day requirements. The Committee has approached the Whitby Urban District Council and the Rural District Council on this matter, and if their permission is granted a scheme will be launched by the Hospital Committee to bring about its completion.
